

First Call for Papers

EAWIE 2015

The 2nd East Asia IE Workshop
on Logistics and Reliability

Networking of IE people in East Asian Countries

November 5 – November 7, 2015
Yonsei University, Seoul, Korea

Conference Co-chairs

Ilkyeong Moon (Seoul National University), Chair of Logistics & SCM Working Group, KIIE
Wonyoung Yun (Pusan National University)

Organized by

Korean Institute of Industrial Engineers; KIIE

Supported by

Chinese Institute of Industrial Engineers; CIIE
Japan Industrial Management Association; JIMA

Important Dates

Full paper (4 – 6 pages) should be submitted by **July 15, 2015**.
Revision requests will be sent by **August 31, 2015**.
Final full paper should be submitted by **September 30, 2015**.

Paper Submission Guidelines

Full papers must be submitted through the EAWIE website: <http://eawie.snu.ac.kr>
The submitted paper and relevant information must be written in English.
Authors are required to certify that their papers are original and not published yet.

First Call for Papers

Tentative Program

	November 5 Thursday	November 6 Friday	November 7 Saturday
Morning		Opening Ceremony	Parallel Sessions
Afternoon	Industry Tour	Plenary Sessions Parallel Sessions	Parallel Sessions
Evening		Welcome Dinner	Conference Dinner

Conference Proceedings

All submitted articles will be published in the conference proceedings in USB-format, which will be available at the conference. Papers presented at the conference will be eligible to be considered for possible publication in the special issue of International Journal of Industrial Engineering- Theory, Applications and Practice (SCIE Indexed).

Topics of Interest

The conference emphasizes the use of Industrial Engineering approaches and techniques in various engineering fields related to logistics and reliability and strives to maintain balance between theories and applications.

The conference will cover a wide range of topics in the following areas:

- Business Process Management
- Energy and Efficiency
- Facilities Design and Location
- Healthcare Systems and Applications
- Inventory Management
- Manufacturing Systems
- Modeling and Simulation
- Operations Research
- Optimization under Uncertainty
- Production Planning and Control
- Quality Management and Reliability
- Risk Management
- Service Systems
- Supply Chain Management
- Sustainable Manufacturing
- System Engineering
- Other Topics of Interest in Logistics and Reliability

CONTACTS FOR INQUIRY

Professor ILKYEONG MOON, Ph.D., P.E.
Department of Industrial Engineering
Seoul National University, Seoul 151-744, KOREA
Phone: +82-2-880-7151, Fax: +82-2-889-8560
Mobile: +82-10-9470-2451
Homepage: <http://scm.snu.ac.kr/>
