

## 2023 ICPR27 - 2nd Call for Papers

### Conference aim

The mission of **The International Foundation for Production Research (IFPR)** is to encourage communication among researchers of production systems and processes around the world, especially by its continuing support of the **International Conference on Production Research (ICPR)**.

### Theme & topics

The **27th ICPR** will be organized between **23<sup>rd</sup> and 28<sup>th</sup> of July 2023 in Cluj-Napoca, Romania**, under the theme:

### **BUILDING RESILIENCE INTO PRODUCTION**

The submitted papers are expected to address particularly, not exclusively, the following topics:

- Post-pandemic Recovery of Industry and Production
- Strategies and Approaches to Develop Production Resilience
- Regional Economic Integration and Its Impact on Manufacturing Trends
- Digital and Cyber Manufacturing and Services for Industry 4.0 & 5.0
- Internet of Things, Data Analytics and Smart Manufacturing
- Industrial Communication and Automation
- Manufacturing Processes and Automation
- Manufacturing Systems and Supply Chains
- Industrial Engineering and Operations Research
- Human Factors Engineering
- Sustainable Production and Climate-Smart Production
- Logistics Engineering and Management
- Smart City and Digital Transformation
- Quality Engineering and Management
- New Product Development and Innovation Management
- Other production research topics
- Robotics and Artificial Intelligence in Production
- Virtual and Augmented Reality in Production

### Important dates

- Deadline for abstract submission: March 30, 2023 (**EXTENDED**)
- Notification of acceptance: April 15, 2023
- Full paper (3-4 pages) submission: June 15, 2023

### Conference fees

- Conference authors 350 € (**Early Bird fee of 250 € by June 30, 2023**)
- PhD students 150 € (**includes the Doctoral Training Programme**)

### Conference opportunities

2023 ICPR27 will publish the abstracts of the accepted papers in the form of an electronic book and will offer multiple **post-publication** options to authors depending on the results of the peer review process during and after the conference. The event will include the IFPR Early Career Researchers Workshop and the IFPR Doctoral Training Programme, as well as the IFPR Women Forum and an Industry Leaders Panel.

**More information** and organization details can be found on the website of the conference:
